

Janeen Williamson Vericom CR Team Leader

Never Give Up On Your Dreams

Hailing from Boston, Janeen moved south to Atlanta in 2006 to be closer to her family and escape the harsh winters. A communications major with a concentration in media studies from Northeastern University, Janeen started at Vericom 3 years ago and it's been a great partnership ever since. When not assisting her 70 clients, Janeen enjoys writing poetry, exploring her eclectic in-town neighborhood, and watching HGTV passionately.

Janeen's greatest accomplishment is her son. He is the reason she wakes up every day and where she channels her motivation, focus and drive. The person who has had the biggest influence on her life is her grandmother. She worked well into her 70's with a passionate career in education and child advocacy. A mother of 14, she somehow found time to give back to her community and was involved in numerous community service organizations. She taught Janeen that no obstacle is too big to overcome, one person can make a difference, and to "never give up on your dreams."
